***Re: Support for Nevada Partnership for Homeless Youth SUP***

Dear Honorable Mayor and Council Members:

As President of the John S. Park Neighborhood Association and the previous Program Manager for Nevada Partnership for Homeless Youth, I am writing you about the Special Use Permit that NPHY has applied for on properties 818 and 864 East Sahara.

As a three year Program Manager of NPHY, I have much knowledge of their programs. I have no doubt that there will be no impact on the surrounding neighborhoods.

The close support from the Gay and Lesbian Community Center of Southern Nevada, Community Counseling Center, Huntridge Teen Clinic and Nevada Partnership for Homeless Youth will allow clients to receive intense case work during a critical time in their lives.

I am writing to ask you to support Nevada Partnership for Homeless Youth's proposed facilities at both 818 and 864 East Sahara. The drop in center and related services are much needed in our community.

If you have any questions, please contact me at the number above.

Sincerely,

Bob Bellis

***Re: Nevada Partnership for Homeless Youth, UC-***

Dear Councilman Reese:

I am writing to support Nevada Partnership for Homeless Youth's proposed facilities at 818 and 864 East Sahara. The drop in center and related services are much needed in our community. I have met with representatives of the Partnership and I am confident that the services will be provided in a way that does not impact our business or the surrounding area.

I own three houses within 4 blocks of the proposed facilities. One is located next door to a drug and alcoholic rehabilitation facility. Another is located one block from the outreach center at the Lutheran Church on the corner of St. Louis and Maryland Parkway. I believe if we can help women re-establish there lives and feed and cloth the homeless or at risk, we certainly can provide quality service locations to see that youth never fall into these groups.

If you have any questions or concerns, please contact me at 596-2845.

Best regards,

Frank Butterfield
